IN THE NEXT ISSUE: YOUR GUIDE TO CHRISTMAS AT BROADWAY SYDNEY

**BROADWAY
SYDNEY**

LOCAL WORKFORCE

Did you know that Mirvac owns and manages a few commercial properties in walking distance from Broadway Sydney? This presents a unique opportunity for you to tap into this worker segment and promote your business to up to 1,000 professionals daily.

We are producing a brochure that will be distributed to local workers that will outline Centre services available for local workers. This publication will have a 12-month shelf life and as such, we are looking for ongoing retailer offers for inclusion.

Please register your interest by emailing marketing@broadwaysydney.com.au

BROADWAY SYDNEY SUPPORTS REDUCE, REUSE, RECYCLE

In 2014, we committed to sending zero waste to landfill by 2030. We are also committed to leaving a positive legacy in the communities in which we operate. National Recycling Week is an opportunity to work closely with our retailers and customers to highlight the importance of reducing the amount of waste we produce and focus on the reuse or recycling of materials that would otherwise go to landfill.

Broadway Sydney is committed to the achievement of best practice recycling and resource recovery outcomes. Our recycling target is 80% by 2023 and our long-term strategy is zero waste to landfill by 2030.

In FY18 Broadway Sydney diverted over 1,517 tonnes from landfill. This is equivalent to 721 cars taken off the road per annum.

AT BROADWAY SYDNEY WE RECYCLE THE FOLLOWING ITEMS:

- Cardboard
- Food organics
- Mixed recycling – aluminium cans, bottles and glass
- Paper/cardboard
- Soft plastics
- Toners/cartridges
- Used cooking oil

We will be supporting National Recycling Week 2018 from 12th November to 18th November and look forward to your participation and co-operation. Our focus this year will be to support programs that ban single use plastic bags, straws and coffee cups and to reduce contamination in our recycling streams.

NATIONAL RECYCLING WEEK (NRW)

**12TH TO 18TH
NOVEMBER 2018!**

OUR KEY MESSAGES ARE:

SINGLE USE:

Use it up, wear it out, make do or do without. Reduce single use!

- Say no to straws
- Say no to single use plastic bags
- Say no to disposable coffee cups

CONTAMINATION:

Contamination is a waste;

- Yellow bin = aluminium cans, glass bottles and plastic bottles
- Red Bin = landfill (all other waste)

Due to the recent China Commodity import ban Australian recycling facilities have advised that gate fees may increase by up to 300% for contaminated loads. In Australia alone, about 619,000 tonnes of materials, worth \$523 million is expected to be impacted by the Chinese ban. The facility where our cardboard and mixed recycling is taken to, has issued a warning that contaminated loads (exceeding 0.05%) will be rejected and sent to landfill. A few contaminated bins can ruin an entire truckload of recyclables.

HOW YOU CAN HELP?

- Train all employees in the waste and recycling streams at Broadway Sydney
- Separate recycling, cardboard and organics from landfill and place correct items in the allocated bins in the waste area
- Provide feedback to building management team if you have any issues or if you require assistance

We appreciate your support and would be happy to help you to improve the recycling processes and systems at Broadway Sydney.

If you have any questions or would like to find out about more ways that you can help, contact the Facilities Team via facilities@broadwaysydney.com.au

WELCOME TO BROADWAY!

Monster Threads, Level 3

Mr & Mrs Jones, Ground Level

New Look Athlete's Foot, Level 2

To show our support for National Recycling Week we will reward customers who spend \$50 or more at any store in centre with a free tote bag, designed by the Lust List. Customers are required to present their receipts at the Customer Service Desk on Level 2 to redeem. Terms and Conditions apply.
